

Environmental Science Safety Contract

Mr. Carman

<http://www.kentschools.net/ccarman/>

2011-2012

Complete this form and return it to Mr. Carman by the beginning of the second week of the semester. Failure to return this form will prevent the student from participating in laboratory assignments and field trips.

Student:

I have read the class rules and the laboratory safety rules. I understand the rules and agree to abide by them. I understand that failure to abide by these rules may result in being excluded from laboratory work and field trips in Environmental Science, receiving disciplinary action, or being removed from the course.
