Tips for a Successful Parent Teacher Conference

Parent-teacher conferences present an excellent opportunity to find out how your child is adjusting to the new school year and to get to know his/her teachers.

Here are some general hints on how to have a successful conference.

- **Talk to Your Child** - Ask your child if there is anything that he would like you to discuss with the teacher.
- **Be Prepared** - Jot down everything that you want to talk about at the conference.
- **Be On Time** - Arrive promptly or a few minutes early.
- **Start Off on the Right Foot** - Begin with positive comments about the teacher or classroom.
- **Stay on Track** - Avoid lengthy discussions of topics that are not related to the purpose of the conference.
- **Listen to What the Teacher Has to Say** - Be open-minded to suggestions from the teacher.
- **Stay Calm** - Keep your emotions under control.
- **Tell Your Child What You Discussed** - Take notes about what has been discussed to share with your child.
- **Show Gratitude** - Express appreciation for the conference.

WHAT PARENTS CAN DO Helping Your Child Succeed in School

After the Teacher Conference

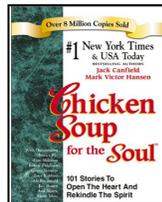

- **Contact the teacher** about any questions you didn't have time to ask.
- **Follow up.** If the teacher brings something to your attention that needs to be addressed with your child, take steps to put the plan in motion, whether it's helping with organizational skills, getting extra help, or addressing a social issue.
- **Update your child.** Start with the positive things his/her teacher had to say, then fill him/her in on any concerns you and the teacher discussed. Explain how you can all work together to ensure your child has a successful year.
- **Keep in touch.** Once an action plan is in place, try to determine how you'll follow up with the teacher in the weeks and months ahead. Will it be through written notes, a phone call, or another conference? And it's not a bad idea to inform your child that you're keeping in touch with their school. "When a child knows parents and teachers are regularly working together, the child will see that education is a high priority requiring commitment and effort," according to the National PTA.

Keep in mind you and your child's teacher has the same goal in mind: To help your child succeed in school.

Did You Know ?

National Chicken Soup for the Soul Day

is observed each year on **November 12**.

"Changing The World One Story at a Time" is the mantra of *Chicken Soup for the Soul* creators Jack Canfield and Mark Victor Hansen.

When publishers repeatedly turned down their first book, Jack and Mark vowed they wouldn't give up, and if they ever got a chance to publish it, they would find ways to "give back." Today, over \$6.5 million has been given away in charitable donations from book proceeds.

Chicken Soup for the Soul Day is a celebration of who you are, where you've been, where you're going, and who you will be thankful to when you get there! Send in your true stories of inspiration, laughter, or comfort! Or, observe this day and celebrate you using **#ChickenSoupForTheSoulDay** to post on social media.

TITLE I NEWS

Getting to Know Your Title I Staff at Davey

We would like to start this November newsletter personally introducing you to new and familiar faces here at Davey in our Title I program. You may have seen names only on past newsletters.

Returning this year as our **Title I Literacy Coach** is **Mrs. Rachel Yohn**. This is Mrs. Yohn's second year at Davey and prior to that she was a Literacy Coach in the Title I program at Holden and Longcoy Schools. She has Title I experience at Field School District, has taught Kindergarten and First grades and has been an educator for 13 years. She is the mother of two daughters; Ruby and Eliza. Rachel, her husband Chris and family live in Ravenna. We are excited and happy to have Mrs. Yohn continue as our Literacy Coach and be a part of our Davey Title I Staff.

Also, returning this year to Davey is **Mrs. Susan Atchison**. Mrs. Atchison is in her 4th year here at Davey. She has taught 1st and 2nd grades for 9 years as well as taught in an early childhood program for 19 years. Teaching has become her vocation. At Davey, she is both a **Reading/Math Title Teacher** to our students and "loves it" and "feels so fortunate to be working and learning with so many wonderful kids". What she enjoys most about being an educator in the Title I program is the interaction she has with a variety of students and their families and the multiple levels she supports in reading and math. She keeps parents involved in the learning process by sending home daily reading assignments to complete, having informal phone conferences and keeping parents updated on progress reports and she welcomes parents' calls who may have comments or questions. Her greatest pleasures in teaching come from seeing the growth and progress of the students she serves throughout the school year. Additionally, she enjoys the opportunity to listen to children; their ideas/theories, questions and having just daily conversations with them. We are fortunate and grateful to have Mrs. Atchison continuing in our Title I program here at Davey.

These teachers at Davey are highly qualified and our students benefit from their wealth of knowledge. We hope you get to meet them personally as our school year continues.

*We have an excellent staff serving our Title I students. They come from diverse backgrounds in education and bring a wealth of knowledge and expertise to Davey. We can't wait to share with you more information and facts about **other** Davey Title staff members and the work they are accomplishing with our students. These persons serve as liaisons between the Title I education program and our parents. We hope by getting to know them better; it helps in building a strong foundation for parental involvement. Watch for future Title I Connection newsletters with information and facts on our Title Staff here at Davey School.*
