

April 2018

Dear Parent/Guardian of a future Kindergarten student:

Kindergarten! Your child is about to embark on a 13 year educational adventure beginning with Kindergarten. Congratulations! If you are like most parents, you can't believe your child is age 5 and ready for Kindergarten.

There are many things to think about in the next few months... including Safety. These days we are all concerned about this important issue. For over 30 years the Kent Junior Mothers (KJM) Club, a volunteer service organization in Kent, has been sponsoring Safety School for Kent's kindergartners. Safety School is a program in which children entering Kindergarten are introduced to safety awareness in their daily lives. The program is one week long and lasts 3 hours each day. It addresses stranger awareness, bus safety, fire safety, dialing 9-1-1 and much more. Children learn safety procedures through practice and experience with professionals and are guided and supervised by volunteers from KJM. An added bonus is that children are grouped with others who they will join in elementary school, so they get to meet new school friends even before the first day of school!

We would like to invite your child to attend Safety School 2018. It will be held at Walls Elementary School from July 10th thru July 13th. Each day's program begins at 9 am and ends at noon. Snack is provided. Additionally, parents will receive information about the sessions their child attends each day so you can discuss and practice at home.

The cost of Safety School is \$25.00 and includes a T-shirt, which will be given to each child on the first day. Fee waivers are available. Please email kentjunior Mothers@gmail.com for more information. To register your child, complete the attached form and return it with your check or money order made payable to Kent Junior Mothers Club to the following address:
