artStudio news

Welcome Back!

Wow, this summer went by so fast. As many of you know my new home is built and we have moved in. I look forward to working in my new art studio. The children have done a great job coming back to school with excitement and enthusiasm. They have been wonderful! This will be the best art making year ever.

Art Rules

1. Respect yourself and the work you CAN do. It's important, unique and valued.
2. Respect others, their ideas, their work, their space.
3. Respect our art studio - Take care of art supplies and clean up what you use.

Supplies Needed for Art:

* paint shirt * a box of tissues
* foam egg cartons or trays
* plastic produce baskets
* buttons, lace, fabric, wall paper,
* any "crafty type" odds and ends

3-5 graders also need:
a 2 pocket folder with about15-20 sheets of lined paper in the center clips. This is our "notebook/ journal/ sketchbook/ keep it handy folder."

Please return the bottom portion on your child's next art day. Thank you for sending me such wonderful children to teach. Mrs. Tina Grondin

Student Art Helpers --- Grades 3-5
To set out supplies, help display or help in kindergarten classes. Circle only one

Mornings 8:10-8:25 Mon. Tues.

After school 3:15-3:40 Mon. Tues.
(Transportation must be pre-arranged)

Recess lunch or afternoon (If this matches my lunch or kindergarten time.)

Parent Helpers
I am looking for parents to help in your child's art class or at another time. Lots of help will also be needed for our end of the year "Art Expo" so keep this in mind. I will be glad to give you a call or reserve a time for your November conference. Please check your request(s):

- ❑ Time to help in art
- ❑ November conference
- ❑ Phone cal
