Roosevelt High School

1400 North Mantua Street

Kent, Ohio 44240
August 2009

(330) 676-8700

Dear Parents, Students and Friends of Theodore Roosevelt High School,

Theodore Roosevelt High School will open its doors to yet another school year in just a few short weeks! While our cool July weather has been comfortable, I'm sure August's warmth will welcome back the many students that are already back for band, athletic practice, or the many other student activities that Roosevelt is known for! The high school building is up and running and looks terrific due to the hard work of our fine custodial and maintenance staff. Their efforts have been outstanding in preparing our building for students and teachers.

As always, I would like to welcome everyone to a new school year, especially families of incoming ninth graders and those families new to our school district. Roosevelt has had a long tradition of educational excellence and seeks to serve the needs of students in a very supportive environment. We hope you share our pride and excitement in being part of this wonderful school. As you read this Branching Out, we hope it will serve as one of the primary communication links for you and your family with the greater school community. We continue to work at keeping it informative, responsive, and comprehensive.

Each month the cover letters seek to give you my best thinking about school and learning, current trends in our school, issues that impact our students and families, and thoughts about how student learning can best be accomplished in our ever-changing complex world. More importantly, we try and share thoughts on what we are hearing from parents, students, and teachers to stimulate your own thoughts about school related topics. Your feedback is encouraged and welcomed either orally or written! The remainder of the newsletter provides you with important calendar dates, program reviews, recognition of students, and overviews of the many activities related to the high school experience. We hope all of the information will be helpful throughout the school year!

The formal opening of the 2009-2010 school year will follow this format:

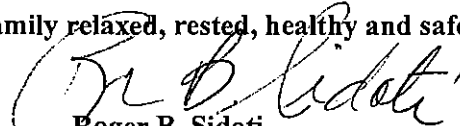

- On Wednesday August 26, only incoming ninth graders and students in all grades *new* to our district will report to school. The day will begin at 7:35 a.m. in our auditorium and the students will be in attendance the entire day, dismissing at 2:34 p.m.
- On Thursday August 27, all students-grades 9, 10, 11, & 12- will report to school and be in attendance for the entire day. The day will begin with First Period classes at 7:35 a.m. and end at 2:34 p.m.

Student schedules will be mailed out the week of August 10. An updated schedule will be available to all students upon arrival to school on the first day.

The 2009-2010 school year opens again with anxiety in our country about our economy and continued conflicts in our world. Our own emotional predisposition to these issues, as well as the vast media coverage, confront our young people daily. More than ever, they need a constant reminder of why school and learning are critical for their future. As I have said in the past, this learning rarely (if ever) occurs in a vacuum. I believe that the adults in their lives must work to have quality conversations with young people about the issue of the economy, examine what they are learning in school as a means to developing tools so they can be successful in the changing work place, and encourage them to apply their knowledge to creative problem solving on a daily basis.

After a restful summer, the new school year begins! As always, students will bring their hopes and dreams, their anxiety and fears, their youth and exuberance, and their energy and talents to the classrooms of Roosevelt. Our goal will be to help them grow into thoughtful, educated, and caring adults. To this end, we pledge our efforts and seek to partner with parents in support of their student. Please, never hesitate to call our school (673-9595) or my home on evenings and weekends (678-3381), or e-mail me at ke_rsidoti@kentschools.net if you need help or you just need to talk with someone about a school related issue.

I hope this Branching Out finds you and your family relaxed, rested, healthy and safe.

Roger B. Sidoti
Principal

Dear Student:

The new school year is fast approaching. The Guidance Department is looking forward to working with you to help make this year a most productive and rewarding one.

Enclosed is your class schedule for the 2009-2010 school year. If, as a result of one of the five reasons identified below you find it necessary to adjust your schedule, please fill out the Schedule Change Request on the back of this letter and bring in/mail to the Guidance Office **no later than Monday, August 24, 2009:**

1. **Remove** a course on present schedule because the course was taken during summer school.
2. **Add** a course during a free period (class size permitting); or **balance** semester courses to allow for a study hall each semester
3. **Drop** an elective semester course(s) to add a study hall (note: a student is permitted no more than one study hall a semester).
4. **Required** course failed; not taken during summer school; need to add.
5. **Computer error** on schedule.

We will make every attempt to honor your schedule change, but realize that conflicts, class size, etc. may negate your request.

Remember, not all course requests made in February are reflected on your schedule as some courses were cancelled and/or scheduling conflicts with the master schedule occurred. In those instances, if we were unable to make a contact with you, we have either tried to select a similar but alternative course that would fit in your schedule, or assigned you to a study hall. For some students, the present class conflict is printed at the top of your class schedule and you should contact your school counselor immediately to resolve the conflict together.

The following courses listed in our Student Registration Guide for the 2009-2010 school year are **not offered** due to low student enrollment interest:

2009-10 School Year

Dear Parent/Guardian:

Children need healthy meals to learn. Theodore Roosevelt High School offers healthy meals every school day. Breakfast costs **\$1.45**; lunch costs **\$2.80**. Your children may qualify for free meals or for reduced price meals. Reduced price is **\$.30** for breakfast and **\$.40** for lunch.

1. Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. **Return the completed application to: Theodore Roosevelt High School.**

2. Who can get free meals? Children in households receiving benefits through the Food Assistance Program (SNAP, formerly the Food Stamp Program), or Ohio Works First (OWF) benefits and most foster children can get free meals regardless of your income. Also, your children can get free meals if your household income is within the free limits on the Federal Income Guidelines.

3. Can homeless, runaway and migrant children get free meals? Please call the school to see if your child(ren) qualify, if you have not been informed that they will get free meals.

4. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, shown on this application.

5. Should I fill out an application if I got a letter this school year saying my children are approved for free or reduced price meals? Please read the letter you got carefully and follow the instructions. Call the school at **330-673-9595** if you have questions.

6. I get WIC. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.

7. Will the information I give be checked? Yes, we may ask you to send written proof.

8. If I don't qualify now, may I apply later? Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start receiving Food Assistance Program (SNAP) benefits or getting OWF or other benefits. If you lose your job, your children may be able to get free or reduced price meals.

9. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Dr. Joe Giancola, Superintendent, 321 N. DePeyster St., Kent, OH 44240, 330-676-7600.**

10. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.

11. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.

12. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you get it only sometimes.

13. We are in the military, do we include our housing allowance as income? If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. All other allowances must be included in your gross income. If you have other questions or need help, call: **330-673-9595**. Si necesita ayuda, por favor llame al teléfono: **330-673-9595**.

Sincerely,

Principal

Your children may qualify for free or reduced price meals if your household income falls within the limits on this chart.
