Roosevelt High School

1400 North Mantua Street

Kent, Ohio 44240

(330) 676-8700

August 2010

Dear Parents, Students and Friends of Theodore Roosevelt High School,

It is hard to believe that our summer is winding down and Theodore Roosevelt High School will open its doors to the 2010-2011 school year. In spite of the very warm weather, our high school building is up and running, looking terrific due to the hard work of our fine custodial and maintenance staff, and our band and fall sports are in full swing.

As in the past, I would like to welcome everyone to a new school year, especially families of incoming ninth graders and those families new to our school district. Roosevelt has had a long tradition of educational excellence and seeks to serve the needs of students in a very supportive environment. We hope you share our pride and excitement in being part of this wonderful school. As you read the Branching Out each month, we hope it will serve as one of the primary communication links for you and your family with the greater school community. We continue to work at keeping it informative, responsive, and comprehensive. You can access it on line at the Roosevelt web site or receive a paper copy if you have no internet access.

Each month the cover letters seek to give you my best thinking about school and learning, current trends in our school, issues that impact our students and families, and thoughts about how student learning can best be accomplished in our ever-changing complex world. More importantly, we try and share thoughts on what we are hearing from parents, students, and teachers to stimulate your own thoughts about school related topics. Your feedback is encouraged and welcomed either orally or written! The remainder of the newsletter provides you with important calendar dates, program reviews, recognition of students, and overviews of the many activities related to the high school experience. We hope all of the information will be helpful throughout the school year!

The formal opening of the 2010-2011 school year will follow this format:

- On Wednesday August 25, only incoming ninth graders and students in all grades *new* to our district will report to school. Note that the day will begin at 7:30 a.m. in our auditorium and the students will be in attendance the entire day, dismissing at 2:29 p.m.
- On Thursday August 26, all students-grades 9, 10, 11, & 12- will report to school and be in attendance for the entire day. The day will begin with First Period classes at 7:30 a.m. and end at 2:29 p.m.

Student schedules have been included with this Branching Out. An updated schedule will be available to all students upon arrival to school on the first day.

The 2010–2011 school year will see some new innovations and changes:

School Time Changes

Due to the extensive bridge and road construction, Stanton Middle School and Roosevelt High School will experience changes in their daily starting and ending times. We will begin and end five minutes earlier than in past years. Please refer to the updated period schedule included in this Branching Out.

Credit Flex

Per new state department regulations, we have designed credit earning opportunities through our “Credit Flex” program. There are many non-traditional credit-earning opportunities in this new initiative that we will pilot this school year. Informational packets are available through our guidance department. For more information, please contact my office or your guidance counselor.

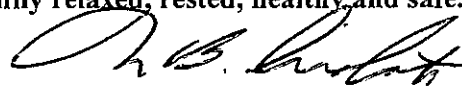

Twilight School

Utilizing guided online instruction, we will pilot the Rough Rider Twilight Academy that will run from 2:40-5:25 each evening. It is designed for those students who have extraordinary circumstances for daily attendance, credit recovery needs, credit advancement desires, graduation course completion, or other unique educational needs. There will be five levels of opportunities depending on those unique circumstances of each student enrolled. Please contact my office or guidance for further information. We will be using Apex Online instruction.

While the above suggests an ever evolving and growing professional educational community at Theodore Roosevelt High School always trying to meet the needs of our students, in reflection on my past thirty-nine years as a high school educator, part of the equation of a students success in the classroom comes from the attitude they bring to school each day. It seems to me that there is a fine line in many students’ minds between school being a necessity and school being a necessary evil. When they embrace the former, they bring a motivated mind to their studies. They accept on faith, so to speak, more than they intellectually understand that the work they put in learning today will reap benefits in the future. Conversely, the necessary evil mentality, suggests that there is no real value in their efforts as they relate to the future.

Somehow we need to help students make the connections of effort in the here and now with success in the future! As always, students will bring their hopes and dreams, their anxiety and fears, their youth and exuberance, and their energy and talents to the classrooms of Roosevelt. Our goal will be to help them see that school in general, learning in particular, is necessary if they wish to grow into thoughtful, educated, and caring adults. I believe that the vast majority of parents want this to happen. To this end, we pledge our efforts and seek to partner with our parents. Please, never hesitate to call our school (673-9595) or my home on evenings and weekends (678-3381), or e-mail me at ke_rsidoti@kentschools.net if you need help or you just need to talk with someone about a school related issue.

I hope this Branching Out finds you and your family relaxed, rested, healthy and safe.

Roger B. Sidoti
Principal

Dear Student:

The new school year is fast approaching. The Guidance Department is looking forward to working with you to help make this year a most productive and rewarding one.

Enclosed is your class schedule for the 2010-2011 school year. If, as a result of one of the five reasons identified below you find it necessary to adjust your schedule, please fill out the Schedule Change Request on the back of this letter and bring in/mail to the Guidance Office no later than Monday, August 23, 2010:

1. Remove a course on present schedule because the course was taken during summer school.
2. Add a course during a free period (class size permitting); or balance semester courses to allow for a study hall each semester
3. Drop an elective semester course(s) to add a study hall (note: a student is permitted no more than one study hall a semester).
4. Required course failed; not taken during summer school; need to add.
5. Computer error on schedule.

We will make every attempt to honor your schedule change, but realize that conflicts, class size, etc. may negate your request.

Remember, not all course requests made in February are reflected on your schedule as some courses were cancelled and/or scheduling conflicts with the master schedule occurred. In those instances, if we were unable to make a contact with you, we have either tried to select a similar but alternative course that would fit in your schedule, or assigned you to a study hall. For some students, the present class conflict is printed at the top of your class schedule and you should contact your school counselor immediately to resolve the conflict together.

The following courses listed in our Student Registration Guide for the 2010-2011 school year are not offered due to low student enrollment interest:

AP Biology Acting & Directing II

The following courses are closed:

2010-11 School Year

Dear Parent/Guardian:

Children need healthy meals to learn. Theodore Roosevelt High School offers healthy meals every school day. Breakfast costs \$1.50; lunch costs \$2.85. Your children may qualify for free meals or for reduced price meals. Reduced price is \$.30 for breakfast and \$.40 for lunch.

1. Do I need to fill out an application for each child? No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. **Return the completed application to: Theodore Roosevelt High School.**

2. Who can get free meals? Children in households receiving benefits through the Supplemental Nutrition Assistance Program (SNAP, formerly the Food Stamp Program), or Ohio Works First (OWF) benefits and most foster children can get free meals regardless of your income. Also, your children can get free meals if your household's gross income is within the free limits on the Federal Income Guidelines.

3. Can homeless, runaway and migrant children get free meals? If you have not been told your children will get free meals, please call your school to see if they qualify.

4. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, (shown on this application).

5. Should I fill out an application if I received a letter this school year saying my children are approved for free meals? Please read the letter you got carefully and follow the instructions. Call the school at 330-673-9595 if you have questions.

6. My Child's application was approved last year. Do I need to fill out another one? Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year.

7. I get WIC. Can my child(ren) get free meals? Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.

8. Will the information I give be checked? Yes, we may ask you to send written proof.

9. If I don't qualify now, may I apply later? Yes. You may apply at any time during the school year.

10. What if I disagree with the school's decision about my application? You should talk to school officials. You also may ask for a hearing by calling or writing to: **Dr. Joe Giancola, Superintendent, 321 N. DePeyster St., Kent, OH 44240, 330-676-7600**

11. May I apply if someone in my household is not a U.S. citizen? Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.

12. Who should I include as members of my household? You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.

13. What if my income is not always the same? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes.

14. We are in the military, do we include our housing allowance as income? If you get an off-base housing allowance, it must be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income.

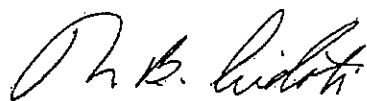

15. My Spouse is deployed to a combat zone. Is her combat pay counted as income? No, if the combat pay is received in addition to her basic pay because of her deployment and it wasn't received before she was deployed, combat pay is not counted as income. Contact your school for more information.

16. Why am I being asked about giving my consent for an instructional fee waiver? Ohio public schools are required to waive the school instructional fees for children who qualify for free meal benefits. School Food Service personnel must have parent consent to share student meal application if your child(ren) qualify for a fee waiver. If you agree to allow your child(ren)'s meal application to be shared with school officials to see if he/she/they qualifies for a fee waiver then check "yes" in part 5. If you do not wish for that information to be shared, then check "no" in part 5. Answering no to this question will mean your child will not be able to be considered for a fee waiver. Answering this question either way will not change whether your child(ren) will get free or reduced price meals.

17. My Family needs more help. Are there other programs we might apply for? To find out how to apply for Ohio SNAP or other assistance benefits, contact your local assistance office or call 877-852-0010.

If you have other questions or need help, call **330-673-9595**. Si necesita ayuda, por favor llame al teléfono: **330-673-9595**

Sincerely,

Principal

Your children may qualify for free or reduced price meals if your household income falls within the limits on this chart.

We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

KENT CITY SCHOOLS

UPDATE

News for Kent parents from Superintendent Joe Giancola

August/September, 2010

Dear Kent Parents, Students, and Friends,

With the beginning of a new school year comes an excitement about what awaits our students in the classrooms. I extend my heartiest words of welcome to each and every student, family, and staff member in Kent! This year, take advantage of every opportunity we offer to visit us!

For many details about the start of our new school year, please feel free to navigate our excellent Web site at www.kentschools.net for all of the information you need about your children's programs and school buildings. In Kent Schools, we have made a strong commitment to technology as a tool for communicating with our parents and for teaching our students.

Traditionally, I introduce new Kent administrators in this August/September letter. We welcome the following new administrators to Kent. First, I would like to introduce **Abbey Bolton**, who has been appointed to the position of Davey Elementary School Principal. Prior to coming to Kent, Abbey served as an elementary principal in the Southeast Local Schools and assistant principal in the Streetsboro City Schools, both districts of Portage County. She currently is working on her doctorate in educational administration at Kent State University.

Next, I welcome to Kent **Justin Gates**, the new Principal at Stanton Middle School. You might call this appointment a "homecoming" for him, as he once served our school district as an intervention specialist for Stanton and Davey students with special needs. Most recently, Justin was the middle school principal and special education coordinator for the Barberton City Schools. Interestingly, Justin's wife, **Carrie Gates**, also is a teacher and speech pathologist at Stanton Middle School and Davey Elementary School. Justin currently is working on his doctorate in educational administration at Kent State.

Finally, I welcome to the board office **Tom Larkin**, new Assistant Superintendent and Personnel Director for the Kent Schools. Of course, those who know Tom in the community recognize his past work for us as Stanton Middle School Principal and Roosevelt High School Assistant Principal. Interestingly, Tom's wife, **Amy Larkin**, is a math teacher at Roosevelt High School. Tom currently is working on his doctorate in educational administration at Kent State.

On a different note, at our convocation for all staff on August 23, 2010, we acknowledge **Kevin J. McFarland**, our 2010 recipient of the **Dr. Emilio D. Ferrara** Community Service Award. Previously, Kevin and his family were honored by the Kent Board of Education at its May regular meeting. Kevin's posthumous award recognizes his community service and 10 years of work as a custodian for Kent Schools. Kevin died suddenly this past school year, and his involvement in the community will be sadly missed.

In this letter, I also honor **Greg Starc**, a Roosevelt teacher of students with special needs, who suddenly passed away this summer. Greg's 27 years of commitment to Kent children will be sadly missed. There is a part of Kent Schools that will never be the same without him. We always will remember both Greg and Kevin. Their legacy lives on in the students they served.

Have a great school year,
