January 2012

**Dear Rough Rider Nation, Family & Friends:**

Is it just me, a product of a childhood in the 1960's & '70's, or does the year 2012 seem like an unfathomable milestone? I vividly remember the days of *Steve Austin, The Six Million-Dollar Man*, and how that bionic technology was the coolest thing ever! Yet here we are, having evolved into a world of incredible cyber advancement, that my ears begin to smoke from amazement and lack of comprehension.

Why is that not the case with this generation of youngsters? They have such a sound grasp on how our universe has developed in this regard, and have deduced how to use it to its fullest capacity, and I marvel at this ability. Although we find our students' intent to create and apply said technology to their social lives, we have also observed a mature application to their academic achievement. As administrators and teachers, this aspect brings us great joy. It is rewarding to the adults, who interact with your children daily, to see the curricular benefits attained by the students of TRHS through the use of authentic, alternative and formative methods. The "Roosevelt Way" should be amended to include the adjective: INVENTIVE.

As we ring in the New Year, we don't really say farewell to the old. For it is the former that has played an integral role in the student-life experiences of this school year, including academic, athletic, artistic, leadership, & relationship opportunities. As a school culture, we transition, refresh & renew, instead of starting over. Our students will continue their quest for achievement and our staff will strive to provide them with all the tools to do so. The mindset of "finishing strong" is apparent in both teaching and learning, as we close the first semester of study.

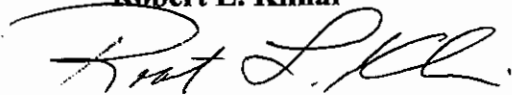

The upcoming winter months will continue to bring much activity to the high school campus, with basketball games, swimming & diving meets, wrestling matches, bowling competitions, hockey games, and fine arts events filling almost each and every night of our winter calendar. With so much to see, there is never a dull moment at Roosevelt High School.

**As with each closing of this newsletter, I invite and encourage you to visit our wonderful institution of learning, and hope that you will continue to make the Rough Rider Nation an important part of your family culture as well.**

**My wish for you is a safe, healthy and prosperous New Year.**

**Until next time, we are the Rough Rider Nation, and this is the Roosevelt Way!**

**Sincerely,  
Robert L. Klinar**

**"TOLERANCE" IS THE JANUARY CHARACTER TRAIT**

We live in a nation of many textures. Our social fabric is woven from a variety of cultural threads. As we move forward together, it is important that we remain united through our common heritage and commitment as American citizens, while maintaining an appreciation of our differences. To that end we want to emphasize TOLERANCE as the word of the month in January. The definition given to it by a representative group of Kent Citizens states that students should:

Accept individual differences; be able to negotiate and compromise  
Strive to discover and learn about people who are different from  
The mselves and about cultures different from their own; and we  
Shoould recognize that we are all fallible and therefore make mistakes.

Relevant books for children and young people include:

- Black Is Brown Is Tan, by Arnold Adoff
- The Pinata Maker, by George Ancona
- The Rag Coat, by Lauren Mills
- I Speak English for My Mon, by Muriel Stanek
- The Butter Battle Book, by Dr. Suess
- Diary of a Young Girl, by Anne Frank
- Breadsticks and Blessings, by Boyd

Randy Kline, senior counselor, urges all seniors to check the deadlines for both their college applications as well as scholarship applications. Observe the following guidelines to insure your application materials arrive at their destination in a timely fashion:

**February 1<sup>st</sup> deadline - paperwork due in guidance by January 13th.**

**February 15th deadline - paperwork due in guidance by February 1<sup>st</sup>**

### Junior/Sophomore PSAT/NMSQT Results Have Arrived

Students who took the PSAT/NMSQT this past October received their test results, along with their actual test booklet during lunch periods the weeks of December 5<sup>th</sup> and December 12th. Anyone who has not yet picked up their results should do so in the Guidance Office. Parents are welcome to call and make an appointment with their school counselor to review the individual results of their student and discuss future college entrance testing and post-secondary educational plans. A special feature for those students who took the PSAT is access to the free PSAT/NMSQT college planning kit 'My College Quick Start' at [www.collegeboard.com/quickstart](http://www.collegeboard.com/quickstart). Students have been issued a personalized pin number to set up their account to get a personalized SAT study plan and find lists of colleges, majors and careers right for you.

### Sophomore PLAN Test Results Have Arrived

The Class of 2014 received their PLAN Score Reports in December and January in their U.S. History classes. Mrs. Rutzky, sophomore counselor, provided test interpretation sessions with each class. Sophomores received their individual PLAN score report along with their test booklet and a working guide entitled: "Using Your PLAN Results." Student PLAN Score Report enables sophomores to reflect on three important key areas:

1. **How am I doing so far?** A student's PLAN score report shows a student's relative strengths and weaknesses in four subject areas important for success in college and career: English, Math, Reading and Science. Students are offered suggestions for how they can improve in areas where they are not strong.
2. **What are my plans and goals for after high school?** Before the PLAN test, students answered questions about the courses they are taking or plan to take in high school, their career interests and plans after high school. This information will help a student see if they need to change their educational plans in order to meet their career goals.
3. **Am I on track for college?** The PLAN score report shows how well students are learning the skills they need to be ready for college and suggest how they might help themselves to strengthen those skills that need to be worked on.

### Fall Ohio Graduation Test Results

Ohio Graduation Test results from the October testing will be sent home the week of January 9. If you have any questions regarding test results, please contact your student's school counselor at 330-676-8720. Students failing one or more sections of the test will have an opportunity to re-take those sections during the week of March 5. OGT intervention is now underway to help those students prepare for their test(s) in March.
