

BRANCHING OUT

Roosevelt High School

A Special "Open House" Edition

Dear Friends of Roosevelt,

September 2007

The opening of school is just around the corner and judging by the enthusiasm in pre-school activities from students, teachers, parents, and community members, everyone is ready to go! This eagerness and enthusiasm is always infectious! The energy generated by our students on opening day always reflected by our teachers and support staff. They are genuinely excited to be here working with all of our kids. We would like the opportunity to share the excitement with you! We invite you to our annual Open House on Wednesday, September 5. You will have an opportunity to visit with each of your son or daughter's teachers, following their daily schedule throughout the evening. Though not a time for conferencing, it is a time to get to know their teachers. The program will start promptly at 7:00PM in your son or daughter's First Period class. The schedule for the evening is the following:

7:00 - 7:10	Period 1
7:15 - 7:25	Period 2
7:30 - 7:40	Period 3
7:45 - 7:55	Period 4
8:00 - 8:10	Period 5
8:15 - 8:25	Period 6
8:30 - 8:40	Period 7
8:45 - 8:55	Period 8

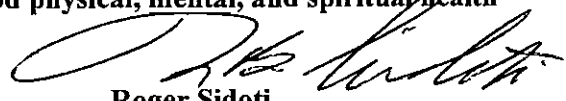

If your student has a study hall or lunch, you are invited to the cafeteria. Please visit the displays or join friends for conversation. The administration and counselors will also be available to answer any questions or respond to observations.

Included with this *Branching Out* is a blank schedule form. A map of our school will be available at the door when you come. Please have your student(s) fill out the form completely, making your visit to our school easier. If you forget the form, our Counselors will have extra copies of students' schedules available in the Guidance Office, but this will shorten your opportunity to get to every class. I hope everyone can find time in his or her busy schedule to join us on Wednesday, September 5!

As in the past, I am sure that you will experience first-hand the energy we derive from working with our students. I believe this energy comes from setting high expectations for academic performance, yet encouraging our students to become involved with the whole school in some form or another, and watching them grow into wonderful young adults. For you see, teenagers are wonderful people. Regardless of the media's depiction of high school age students, they seem to thrive in our school and are engaged in ways that make us all proud. This engagement helps define "The Roosevelt Way," a term you have heard before supported by our four pillars. Our hope is that this Roosevelt way of doing things will give our students a clear sense of belonging to a community that fosters and supports their own personal growth and achievement. Also, in a rapidly changing world, our hope is that our school will be a stable constant in their lives, defining clear expectations, and extending a helping hand to those who seek it.

So like a family waiting for guests to arrive at their home with great anticipation, we invite you to come to your family's school and learn about the educational programs and hear from the teachers that work with your son or daughter everyday! I hope this *Branching Out* finds you and your loved one's in good physical, mental, and spiritual health as we begin the journey of a new school year.

Dear Student:

The new school year is fast approaching. The Guidance Department is looking forward to working with you to help make this year a most productive and rewarding one.

Enclosed is your class schedule for the 2007-2008 school year. If, as a result of one of the five reasons identified below you find it necessary to adjust your schedule, please fill out the Schedule Change Request on the back of this letter and bring in/mail to the Guidance Office no later than Friday, August 24, 2007:

1. ***Remove a course on present schedule because the course was taken during summer school.***
2. ***Add a course during a free period (class size permitting); or balance semester courses to allow for a study hall each semester***
3. ***Drop an elective semester course(s) to add a study hall (note: a student is permitted no more than one study hall a semester).***
4. ***Required course failed; not taken during summer school; need to add.***
5. ***Computer error on schedule.***

We will make every attempt to honor your schedule change, but realize that conflicts, class size, etc. may negate your request.

Remember, not all course requests made in February are reflected on your schedule as some courses were cancelled and/or scheduling conflicts with the master schedule occurred. In those instances, if we were unable to make a contact with you, we have either tried to select a similar but alternative course that would fit in your schedule, or assigned you to a study hall. For some students, the present class conflict is printed at the top of your class schedule and you should contact your school counselor immediately to resolve the conflict together.

The following courses listed in our Student Registration Guide for the 2007-2008 school year are not offered due to low student enrollment interest:

AT College Physics	Writing Improvement	Healthy Living	Ohio Science
AT Research	Reading Improvement	Making a Life Plan

EMERGENCY INFORMATION CARD

Parents, we need your help! If you have not completed the yellow Emergency Medical card, would you please do so ASAP! Every student (all brothers and sisters) must have a card on file in the office, with both sides filled out completely! Just think, if an emergency should occur and we needed to contact you, what would we do?? Or, if your child is on medication, what should we do? These are just a few things why this information is so critical to us. So, again, please take the time to fill out the card, and have your child/children return them to their first period class. The deadline for collecting these cards is Friday, September 14, 2007. Thank you for your prompt cooperation!

2007-2008 School Year

Dear Parent/Guardian:

Children need healthy meals to learn. Theodore Roosevelt High School offers healthy meals every school day. Breakfast costs \$1.30; lunch costs \$2.60. Your children may qualify for free meals or for reduced price meals. Reduced price is \$.30 for breakfast and \$.40 for lunch.

1. **Do I need to fill out an application for each child?** No. Complete the application to apply for free or reduced price meals. Use one Free and Reduced Price School Meals Application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. **Return the completed application to: Theodore Roosevelt High School.**
2. **Who can get free meals?** Children in households getting Food Stamps or Ohio Works First (OWF) and most foster children can get free meals regardless of your income. Also, your children can get free price meals if your household income is within the free limits on the Federal Income Guidelines.
3. **Can homeless, runaway and migrant children get free meals?** Please call the school to see if your child(ren) qualify, if you have not been informed that they will get free meals.
4. **Who can get reduced price meals?** Your children can get low cost meals if your household income is within the reduced price limits on the Federal Income Chart, shown on this application.
5. **Should I fill out an application if I got a letter this school year saying my children are approved for free or reduced price meals?** Please read the letter you got carefully and follow the instructions. Call the school at 330-673-9595 if you have questions.
6. **I get WIC. Can my child(ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced price meals. Please fill out an application.
7. **Will the information I give be checked?** Yes, we may ask you to send written proof.
8. **If I don't qualify now, may I apply later?** Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Stamps, OWF or other benefits. If you lose your job, your children may be able to get free or reduced price meals.
9. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing to: **Dr. Joe Giancola, Superintendent, 321 N. DePeyster St., Kent, Ohio 44240, 330-676-7600.**
10. **May I apply if someone in my household is not a U.S. citizen?** Yes. You or your child(ren) do not have to be a U.S. citizen to qualify for free or reduced price meals.
11. **Who should I include as members of my household?** You must include all people living in your household, related or not (such as grandparents, other relatives, or friends). You must include yourself and all children who live with you.
12. **What if my income is not always the same?** List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you get it only sometimes.
13. **We are in the military; do we include our housing allowance as income?** If your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. All other allowances must be included in your gross income. If you have other questions or need help, call 330-673-9595. *Si necesita ayuda, por favor llame al teléfono: 330-673-9595.*

Sincerely,

Principal

Your children may qualify for free or reduced price meals if your household income falls within the limits on this chart.
