Dear Walls Family,

To say that fall is a time of change would be an understatement. One look outside defines our season as leaves change to warm colors and then fall to the ground. By the way, when did we lose 2-3 hours of daylight? It's amazing to me every year when it sneaks up on us, just like the subtle changes that happen in our children. Walk down the hall and you can see that in just one grading period our routines have really fallen into place. I get very excited to see the progress that all of our children have made since the opening of school

Our Race for Education was a great success, and I would like to thank the friends and family members of our Walls students for their generous contributions. The students had a great workout and great fun as they put several miles under their belt running in the front oval. As you read in our Race kickoff letter, 100% of the donations will go directly back to our Walls students. Thanks again for your support of their education, and thank you to our PTO for coordinating this event!

For those of you who may have missed our Halloween festivities, the day was a tremendous success. Our students showed off their costumes and cheered each other on during our FIRST ANNUAL HALLOWEEN PARADE. Thank you to our Harvest Festival committee for their extra effort (and a special thanks to Mr. Satola for coordinating the event and Mrs. Linder for bringing in the storyteller). Loose change was collected and our students made a donation of \$142 to the Miller House.

Finally, conference times and information were sent to you in your child's report card. If you have any questions about dates and times, we ask that you call the office as soon as possible. Our goal is to have a personal conversation about the progress of each child at Walls, and your input is extremely important to us.

As always, please let us know if there is anything more we can do to support your child's education. We thank you for sharing them with us everyday!

Have a fantastic November!

Sincerely,

Heidi B. Singer  
Principal  
Walls Elementary School
