

Dear Kent Elementary School Parents,

I would like to invite you to attend our **Narcotics Overdose Prevention and Education (NOPE)** parent/community presentation on **Wednesday, September 27** at **7:00 pm** in the **Stanton auditoria**.

This high-impact, multimedia presentation is purposefully blunt and evokes powerful emotions. The presentation's message has 3 main points:

- Addiction: Be the hero-Tell Someone™
- Combining drugs can equate to an overdose: ONE TIME CAN KILL™
- Signs of overdose: MAKE the Call! Dial 911™

The content of this presentation will equip you with the knowledge to begin a discussion with your family about the dangers and addictive nature of prescription and illegal opiates.

Questions? Contact Aaron Hido, Stanton Dean of Students, at 330-676-8623 or ke_ahido@kentschools.net
