Premium, Cost –Effective ACT Preparation
Monday, February 3, 2020 8:00 am to 2:29 pm
Roosevelt High School Auditorium

Almost every Ohio high school student now takes the ACT. Securing a good score can assure graduation, qualify students for CCP opportunities, & perhaps, most importantly, help students gain admission to college & obtain essential financial aid.

Our six-hour preparation seminar helps demystify the ACT by explaining:

- The test's structure
- The academic content covered on it
- Testing & time management strategies students can employ to maximize their performance.

Students learn specific, tangible strategies to answer more questions correctly, how to decipher questions designed to thwart their performance, & specific academic content that is regularly tested on the ACT.

Each participant gets:

- Six hours of live, engaging, interactive instruction
- A comprehensive, 400 page, reference workbook
- Online access to over 1000 additional practice test questions
- Free, live, phone in pre-test tutoring

Next Level Prep is Ohio's leader in ACT preparation. We currently work with over 60 Ohio high schools and thousands of student (urban, suburban, and small town/rural) each year around the state. Our typical students see a 2.0 to 2.5 composite point increase on the ACT after taking our seminar.
