

MESSAGE TO PARENTS OF 11TH GRADERS:

Ohio Department of Health state immunization requirements for all 12th Grade Students:

New REQUIREMENT: The 2nd dose (of the 2-part) Meningococcal vaccine is required for all 12th grade students.

Please check with your child's physician, or you can call Rita Baker, R.N., District Nurse, at 330-676-8617 with any questions regarding immunizations.

****We will have an Immunization Clinic at RHS on May 6th at 12:00pm **. A packet will be mailed home to only 11th grade parents whose child needs the vaccines. This fall, Kent City Schools will follow the state guideline requiring that proof of these immunizations, be given to the school clinic by the 15th day of school, which is September 11, 2019. If proof of vaccines is not received by this date, your child may not attend school.**

Please turn in parent permission form to the school clinic ASAP
