

Homework Club

Dear Parent or Guardian,

We hope the year is off to a great start for each of your families. This year is already going by quickly, making it time for Homework Club! Homework Club will begin on November 1, 2016. The sessions will run on most Tuesdays and Thursdays beginning promptly at 2:45 and going until 3:30 in Mrs. Potok's room, P258. **Please arrange for prompt transportation for your student at 3:30.**

Students will work quietly and individually on homework during Homework Club. A teacher will be present at all times. The club is designed to help students work on assignments or projects for middle school classes. Students should have a book or additional work to do in case assignments are completed.

Students will be required to sign in at the start of each Homework Club meeting. Should your student need to leave early, they will need to sign out. The student will either need a note from home or a parent will need to come in if this is the case.

Expectations: Students should not have cell phones during Homework Club. As mentioned, students are to use this time by doing work and seeking assistance, if needed. Students should not be talking to others unless given permission. Students should be respectful to others and themselves.

Let's make this year a great one! This club is a great place to make this year as successful as possible. Our goal is to positively impact student's grades and performance at school.

If you are interested in participating in Homework Club, please sign and return the bottom portion of this page to Mrs. Potok or Ms. Rakyta with your child when they attend. If you have any questions, please contact either of us at ke_lpotok@kentschools.net or ke_srakyta@kentschools.net.

Thank you,

Lindsay Potok- 7th Grade Language Arts Odyssey Team

Shannon Rakyta 7th Grade Odyssey Team Intervention Specialist
